THE Process

....

1. LET'S CHAT!

Get in touch! I would love to know more about you and your big day. How I can help and the exciting ideas you have in mind.

3. THE DESIGN

Now for the fun bit. The designing of your custom signs. You will receive first drafts of your designs, to look over and approve. Any changes needed will be made at this stage.

2. THE PROPOSAL

Once we have discussed your wants and needs, I will then create a custom price breakdown and quote for your chosen items. At this point you can decide to buy now or to pre-order your items with a small deposit.

4. THE DELIVERY

I aim for *all signage to be delivered to your door between 10- 14 days prior to your big day.*
Please note, I will strive to work your timings as much as possible throughout this process.

*"So happy with my signs. Can't fault anything.
Service is brilliant and quality is amazing.
Thank you so much for my perfect signs!"*

- JENNIFER
